## About Zeta

Sydney's sexiest nightspot, Zeta Bar is an opulent oasis in the heart of the city, filled with purple hues and dark wood tones. Located atop a breathtaking CBD rooftop terrace, Zeta reveals a never seen before viewpoint of the historical Queen Victoria Building and looks onto the length of George Street spanning down towards the harbour. The inspired interior features indulgent spaces to sip cocktails. A sleek oak wood island bar runs the length of the main room flooded in a deep red and purple glow from huge glass lamps. In the lounge there is an array of plush leather ottomans and dark timber tub chairs centered around a stylish oversized fireplace which burns with sparkling glass rocks.

Dress code: Smart casual

Zeta changed the face of Sydney's bar landscape when it burst onto the drinking scene as part of The Hilton Sydney in 2005. Zeta has since established a reputation as one of the most cutting edge and pioneering bars in the Southern Hemisphere.

The venue of choice for countless celebrity parties and social events, Zeta has become a true Sydney icon with warm colours, cool drinks and exceptional service from renowned Sydney bartenders.
